

# Stoke Park Infant School Association

## About Us

Stoke Park Infant Association (SPIA) is a fun and active PTA made up of parent and caregiver volunteers that raise invaluable funds to support the children and teachers of our school

### WHAT ARE THE AIMS OF A PTA?

- To extend relationships between staff and parents
- Engage in activities that support the school and advance the education of pupils attending it
- To provide and assist in the provision of facilities or items for education requested by the school through fundraising
- To have fun, and organise events with a focus on building relationships within the community.

Together with the school, we organise fundraising events; social events for the children, enriching their experiences and in pre-covid times just adult events to help raise essential extra funds for the school.

Cake sales, raffles, treasure hunts, fun runs and summer fayres to name a few: we love to make fundraising fun!

Our main role is to build relationships with the staff and teachers to enhance the overall school experience for our children; allowing them access to experiences and resources and improving the school site- all of which are over and above the school budget.

Yet, these are invaluable in allowing teachers to teach an engaging and meaningful curriculum

We rely on the support of the school community, local businesses and our wider community during fundraising events to help us achieve our goals.

Popular events like the Summer fayre and Easter trail, as well as the much-loved raffles are a great way for local businesses to get involved.

## How to get involved:

There are a number of ways you can support the school and SPIA

### Attend an event and donate

All events are published in the weekly Rangers Report which is sent out via ParentMail: we might be asking you to donate cakes for a cake sale; buy raffle tickets or giving you the chance to attend an event with the whole family

### Shop 'til you drop!

As a charity, we are registered with AmazonSmile

Set up AmazonSmile through your Amazon account and allow our charity, Stoke Park Infants Association, to gain valuable funds for the school each time you make a purchase at no extra cost to yourself! each purchase receives a donation!

### Send in your old uniform

Kids grow so quick so we are grateful for any old uniform. Likewise the second hand uniform stall is available for all. Wait for a stall at an event or message the SPIA team to purchase second hand items from as little as £1. Uniform doesn't have to be costly!

### Local Business Support

If you run your own business, or know somebody that does, we are always grateful for donations for inclusion in our raffles during the year. In return we do our best to give you a shout out on facebook to our community of followers, and add you to our website as a school supporter. If you can help in anyway to support our events please get in touch.

### Join our SPIA group

We are a team of working mums, dads and care givers so we take every opportunity to get to a pub without the kids!! We meet once every half term to plan community fundraising events, with a bit of group messaging in between....

You can be involved as much or as little as you wish. Come to a meeting and get involved in the planning, or just offer your help at the odd event as and when we do a shout-out in our 'helpers group' for volunteers. Contact us to get involved.

We run an active Facebook Page with all our latest news, school events, and weekly reminders.

Open the camera app on your phone, scan the QR code and go straight to there.
